

Hello, Zebulon Elementary Families,

This is Principal Newkirk with a mid-week update for the week of September 15, 2020

Electives Begin

Electives begin next Monday. Students will have only one elective and this elective will take the place of specials classes. I know this may cause some challenges with students' ability to take classes in the musical arts and other popular classes.

This elective period will only last for five weeks. Plans for second quarter electives will be finalized once we know more about the plan for students to return to face to face instruction.

Elective material/instrument pick up will be on Tuesday 9/22 during the elective times so there will be no electives that day.

Pick up times will be as follows (these times are when students are schedule for electives)

K - 9:55 - 10:20

1 - 10:30 - 10:55

2 - 12:45 - 1:10

3 - 1:15 - 1:40

4 - 1:45 - 2:10

5 - 2:15 - 2:40
