### **Positivity Project**

In P2 this week, we'll learn about **Leadership**.

***Leadership** means you value each member of your group and inspire people to do their best. This character strength's focus is on the personal qualities of leaders, rather than the practice of leadership. These qualities include the ability to understand others and inspire them toward a common goal, the capacity to mitigate conflict and mold consensus, and the desire to lead other people.*

### **P2 Spirit Day – Thursday, March 25**
