

## Declaration of Intent to Prepare for International Baccalaureate Studies

Graduation Year  
\_\_\_\_\_

I, \_\_\_\_\_ (student), declare my intention to prepare for the International Baccalaureate Diploma Programme at W.G. Enloe Magnet High School.

I understand that I will need to register for the most challenging courses in the sequences supplied to me in order to ready myself for IB work in the junior and senior years and succeed in these courses. I will take responsibility for visiting the coordinator's office with questions and will take responsibility for scheduling appropriate classes to ensure my readiness for diploma courses. I will learn about the diploma requirements. CAS (creativity, activity, and service) requirements, ToK (Theory of Knowledge) requirements and the extended essay by attending information sessions provided by the IB Coordinator. I understand that if the state of NC does not pay exam fees, I will be responsible for paying the examination fees in order to participate in the IB Programme. (fees are subject to change each year according to IB policy; approximately \$119 per exam). I further recognize it is my responsibility to email Ms. Ellis at [aellis2@wcpss.net](mailto:aellis2@wcpss.net) with questions/concerns. Join Remind, IB Freshmen 2027, class code gff7kk, or IB Sophomore 2026 by texting 81010, class code @ecfeh6, OR IB Class of 2028, visit <https://www.remind.com/join/dh8469e>.

I/We \_\_\_\_\_ (parent/guardian) will assist our child by learning about the program, providing a supportive environment, and planning a program with him/her tailored with an understanding of his/her special talents and relative strengths. Families should have individual conferences with the IB Coordinator before students definitely decide to pursue the IB Diploma in the early spring of the tenth grade year. Ninth grade individual conferences are optional, however strongly recommended.
