

Hello Rogers Lane Parents,

I am Katherine Faison, and I am very excited to serve as the next Principal at Rogers Lane. I have served at Carver Elementary in Wendell for the past 12 years and I am committed to the students in the Eastern area. I am looking forward to meeting all of you and your wonderful children. Hopefully, we will see the end of this pandemic and be able to connect with each other soon.

Although I have not begun yet and am not sure of my start date, I did want to reach out to you to introduce myself.

I am in contact with the interim Principal, Mrs. Pridgen, and Mrs. Percy the assistant Principal, and I know that the school is in good hands.

Please stay well and I hope to meet you soon.

Katherine G. Faison
