

Can I Change My Schedule?

A core academic class is missing from my schedule

I'm not in the correct placement (Honors, Regular)

I have two classes the same period

I'm missing a class

I have the same class two different periods.

I don't know anyone in a class

I want to move a class to a different period

Someone I don't get along with is in that class

I want to be in a class with my friend

I don't like the teacher
