Modified Schedule is a privilege given to SENIORS by the principal and is designed to give students the opportunity to have a late start or leave school early in order to accommodate students' extra-curricular schedules. The student must agree to the following terms:

- The student agrees that this is a privilege and is subject to revocation.
- The student agrees to leave not be on campus when not in a scheduled class. That means students with late start may not enter the building before the bell ends dismissing first block and must leave campus immediately once they have completed their last scheduled class. The student and parent/guardian understand that the school is not liable for the student when he/she is not on campus due to a modified schedule.
- The student waives the right to take a full schedule and has determined with his/her counselor that he/she will be able to fulfill ALL graduation requirements with a modified schedule.
- All athletes must pass 3 classes each semester in order to retain academic eligibility. All questions regarding academic eligibility for athletics should be directed to the athletic director or coach.
- The student is aware of any potential college/university admissions policy regarding modified schedule.
