NOT JUST BOOKS

Fiction and literature is wonderful, but reading comes in many different forms. Consider playing some family games or inventing new games, try a new recipe, or host a family poetry slam (kids can challenge parents to memorize and perform a song or spoken word piece).

ACCESS @ HOME

Junior Library Guild (JLG) has opened up digital streaming resources. You can access them at juniorlibraryguild.com/at-home. Check back as they will be updating options regularly.

SUPPORTING INDIES

We have some wonderful locally owned independent bookstores in the Raleigh/Wake Forest area that are impacted by COVID19. If you’d like to support Quail Ridge Books or Page 158, consider pre-ordering new releases from their webpages or buying a subscription to Libro.fm using code #ShopBookstoresNow.
