PENGUIN PATCH

We're in the process of bringing back the Penguin Patch this year and are currently working out the logistics! We know how much our students LOVE this fun program and hope to host it the week of December 7th. More to come soon!

FALL BOOK FAIR

Get excited because our fall book fair starts next week and will run for two weeks (November 9-20)! We will be using Follett instead of Scholastic this year, and have heard wonderful things about the company. Be on the lookout for more information from Mrs. Kinsey, Aversboro's Media Coordinator.

FALL VIRTUAL FUN RUN

It's here! Join our [Virtual Fall Fun Run](#) and help us raise money for water bottle filling stations! Our goal is \$3,000, and as of this morning we are almost HALF of the way there at \$1,475! Don't forget about the [awesome prizes](#) that students will receive for their donations!

ENDOWMENT

This year we are excited to introduce our [EndOWLment Fund](#)! Tired of fundraising and selling stuff like overpriced wrapping paper? Now you can donate to the school without having to sell a single item! Pass along [the link to our Memberhub Store](#) to family and friends so they can donate without any hassle as well.
