Dear Parent/Guardian:

As a parent/guardian of a student in Aversboro Elementary School, I am writing this letter to let you know that Aversboro Elementary School, has been designated as a Targeted Support & Improvement Additional Targeted Support (TSI-AT) school by the North Carolina State Board of Education. As stated in ESSA Section 1111(d)(2), North Carolina had to identify schools for targeted support and improvement. As a TSI-AT school, Aversboro Elementary School is required to develop a comprehensive plan that specifically addresses how the school will improve student achievement. The plan will also include how our district will support us and monitor the progress of our school.

I want to share some resources that have been put into place to improve academic achievement at Aversboro:

- Hiring a full-time mathematics coach to support instructional planning in all grade levels
- Protecting time for teachers to collaborate, analyze data, and plan lessons each week
- Providing students with a Saturday Academy during second semester to support learning loss during the extended closing of school
- Training teachers on digital tools to support student learning in the virtual setting
- Staffing 4th and 5th grade teams with an additional teacher to allow for smaller class sizes

Parent engagement is at the heart of our school improvement efforts. Here are some ways we can work together:

- Make sure that both you and your student are aware of academic expectations set for your student this school year. A list of learning objectives in student-friendly language is available from your student's teacher(s).
- Call your child's teacher at 919.662.2325 if you have questions or concerns about your student or to set up an appointment to meet with a school staff member who will be working with your student.
- Make sure that your student is prepared and attends school each day.
- Monitor your student's homework.
- Monitor the progress your student is making and attend meetings with your student's teacher(s).
- Keep track of our website <https://www.wcps.net/aversboro> and follow us on Twitter @AversboroESOWs.
- Volunteer.
- Join the PTA.

It sounds like a lot but preparing our students so that they can succeed is not easy and is a group effort. Here are some resources available to help:
