

Kindergarten at Carpenter

2022-2023

Staggered Entry

Staggered Entry is a gradual transition to school. This process ensures your child's first day is calm and positive. Staggered entry means that kindergarten students only come to school **one day** during the first five days of the school year. This allows teachers the time to greet and work with each child individually, calm fears, and implement kindergarten assessment screenings. These screenings will enable us to know your child well and provide the best educational environment for him/her. Please check the chart below to identify the date your child will come to school.

Meet the Teacher

After staggered entry, students will be split into classes. Meet the Teacher allows an opportunity to meet your child's teacher, classmates, and tour the classroom. Contact information forms, volunteer sign ups, and questionnaires about your child will also be provided at Meet the Teacher. Students will not attend school that day but are invited to come to Meet the Teacher.
