

The Bulldog Broadcast

January 16, 2023

Learning Quote of the Week: *“The Function of Education is to teach one to think intensively and to think critically. Intelligence plus Character - that is the true goal of education.”*

-Dr. Martin Luther King Jr.

Good morning, Bulldog Families,

As we move into a four-day week please take a moment to reflect upon the reason for this shortened week and all of those, including Dr. King, who sacrificed so much to help move our country and our schools in the direction of full inclusivity for all.

Thank you.

Ms Watkins has created awesome programs and opportunities for our students for learning about various careers and opportunities available post high school. It's never too early for our middle school students to learn about money management and careers. I am grateful to Ms Watkins for bringing these programs to HGMS and look forward to what else she's got planned !

Congratulations to the following students who will be participating in the East Central District Honor Band Clinic. Thank you to all students who went through the process of auditioning. It is not an easy process and I am proud of the work that all of our students put in preparing. Mr. Capps

Buenos días, Familias Bulldog,

A medida que pasamos a una semana de cuatro días, tómese un momento para reflexionar sobre el motivo de esta semana más corta y todos aquellos, incluido el Dr. King, que sacrificaron tanto para ayudar a mover nuestro país y nuestras escuelas. en la dirección de la inclusión total para todos.

Gracias.
