

WAKE STEM EARLY COLLEGE

Responsible Use of B.Y.O.D Agreement

As new technologies continue to change the world in which we live, they also provide many new and positive educational benefits for classroom instruction. STEM ECHS provides a 21st Century, career ready curriculum and students are REQUIRED to have access to the digital universe.

Definition and Purpose of “Technology”

BYOD technologies are privately owned wireless and portable electronic devices that can be used for wireless Internet access, word processing, image/video capturing, sound recording, and information transmitting. Students unable to bring their own devices to school will have ample access to technology.

Technology Requirements

1. Wireless connectivity
2. Internet Browser: Chrome Recommended
3. Google Drive/Moodle Accessible
4. Flash Drive or HD Storage

A SMARTPHONE WILL NOT BE ALLOWED AS YOUR PRIMARY TECHNOLOGY DEVICE

Security and Damages

WAKE NCSU STEM EARLY COLLEGE is not liable for any device that is stolen or damaged. Responsibility to keep the device secure rests with the individual owner. Students are required to keep their devices with them at all times. We recommend using skins (decals) and protective cases for an easy identification, differentiation, and protection of personal devices and chargers.

Please review and sign the B.Y.O.D. agreement found on the next page.

Student will be permitted to use personal technology devices only if the agreement is initialed and signed by all parties and returned to the homeroom teacher.

Students and parents participating in B.Y.O.D. must adhere to the Student Code of Conduct, and Acceptable Use Policy found in the Student Handbook

Please read carefully and initial every statement:

Student Initials	Parent Initials	Expectations
		Students take <u>full responsibility</u> for their devices. Personal technology should not be left on campus before - or after - school hours.
		Students must <u>immediately</u> comply with teachers' requests to shut down devices or close the screen. Devices will not be used during assessments, unless otherwise directed by a teacher.
		Students and parents are expected to <u>respect and protect privacy of others</u> . Students and parents are not permitted to capture, transmit, or post photographs/videos of any person on campus to public or social networking sites for personal reasons.
		Students are expected to use devices at school <u>for educational purposes</u> only. Students will access files or Internet sites relevant to the classroom curriculum and suggested by teachers.
		Students and parents understand that devices will be used on an <u>unfiltered NC State University network</u> . Their activity will be monitored and are subject to NC State's Terms of Service.
		Students and parents understand that infecting the network with a Virus, Trojan, or program designed to damage, alter, destroy, or provide access to unauthorized data or information will result in disciplinary actions.
		Due to infrastructure, students understand that printing from personal devices will not be possible at school. Students will have print access via school computers.
		Students are expected to follow the WCPSS Acceptable Use Policy stated in the Student Handbook. Any violation is unethical and may result in the loss of technology privileges at school, as well as other disciplinary action.
		The school has the right to collect and examine any device at any time.
